**Gaute Fresh**

THE WORLD'S TRUE TASTE OF FRESH

**gf** GAUTE  
FRESH

**Gaute Fresh Uganda**, in partnership with **Gordon's Agricultural Organization** – Uganda, is dedicated to empowering out-of-school youth and women by equipping them with the skills and opportunities to engage in profitable sustainable agriculture and access global markets for their fresh fruits and vegetables.

Transforming agriculture into a source of pride, opportunity, and prosperity for youth and women. Support our youth and women to build a brighter, self-reliant future through agriculture.

*Together, let's empower our youth and women to grow, lead, and thrive.*

# Preamble

Gaute Fresh is a trusted supplier of premium-quality fresh produce sourced from the rich agricultural regions of East Africa. With operations in Uganda, Kenya, and the United Kingdom, the company is committed to delivering farm-fresh fruits, vegetables, herbs, spices, and specialty products to global markets with consistency, reliability, and strict adherence to international standards.

From Uganda's fertile volcanic soils to Kenya's high-altitude farmlands, Gaute Fresh works closely with farmers, cooperatives, and partner organizations to ensure sustainable production, traceability, and year-round availability of diverse products. Our catalogue reflects a wide offering of East Africa's finest produce — handpicked, carefully packaged, and shipped through strategic export points in Entebbe and Nairobi to meet buyer specifications across the world.

# Additional Information

## ► Supply capacity and regularity of shipments (weekly/bi-weekly)

Supply Capacity: We can supply 2–3 containers per month during the peak season. This is subject to the buyer's order and can be discussed further based on demand.

Regularity: Shipments can be scheduled on a bi-weekly basis and scaled up to weekly shipments, depending on product availability and the buyer's booking arrangements.

## ► Usual point of export (airport/port)

Airports: Entebbe International Airport (Uganda) / Jomo Kenyatta International Airport (Kenya)  
Seaport: Mombasa Port (Kenya)

## ► Indicative pricing for the main products and payment terms

Price: The pricing of products will be determined by the client's specifications and preferences regarding packaging and the chosen mode of transportation.

Payment terms: Our payment terms are 75% upfront, and this is negotiable. That is, our standard payment terms require a 75% upfront payment for FOB and CIF, which is open to negotiation.

## ► Possibility of supplying mixed loads for different vegetables

Mixed Load: Yes, we can supply mixed loads of various vegetables based on buyer's selected products, variety, and preferences.

### Note:

Kindly note that we always follow the client's specifications and packaging preferences in order to provide our FOB quotations. To proceed, we would need to know your preferred products, variety, packaging, and quantity. These details can then be further discussed.

## Certifications

Gaute Fresh is committed to meeting the highest international standards of quality, safety, and sustainability across all its operations. Our certifications reflect our dedication to responsible farming practices, strict post-harvest handling, and compliance with global export requirements. These standards ensure that every product delivered to our customers is fresh, safe, traceable, and produced with integrity. Our certified processes reinforce buyer confidence and position Gaute Fresh as a trusted supplier in competitive global markets.

## Our Partners

Gaute Fresh works closely with strategic partners who play a vital role in strengthening our value chain from farm to market. Through collaborations with agricultural organizations, farmer groups, logistics partners, and quality-assurance stakeholders, we ensure consistent supply, enhanced product quality, and sustainable sourcing. These partnerships enable us to deliver exceptional produce while supporting local communities and driving agricultural growth across East Africa. The logos displayed represent some of the key organizations that walk with us in fulfilling our mission.
